

ROCK GARDEN

STEP 1: Form a rectangular shape with air dry clay. STEP 2: Collect two toothpicks and a short dowel. STEP 3: Break off ends of toothpicks. STEP 4: Insert dowel in side of clay after applying glue to its end. STEP 5: Insert pieces of toothpick ends into opposite side of clay. STEP 6: Fill shallow box with sand. STEP 7: Add rock features. Rake sand to resemble water rippling. STEP 8: Rake again and again.
